Northeast Oklahoma fishing report

Chandler: May 27. Elevation above normal, water 72 and muddy. Bas good on spinnerbaits and plastic baits. Channel catfish good on dough bait. Crappie good on minnows and jigs. Report submitted by Gary Emmons, game warden stationed in Lincoln County.

Ft. Gibson: May 24. Elevation 4 ft. above normal, water 62 and stained. Crappie good on minnows and jigs at 1-5 ft. early and late. Catfish excellent drifting the main lake and on whole shad along the bank. Paddlefish good. Catfish good on whole shad and cut bait below the low water dam and the main dam. White bass good on white grubs and rooster tails during generation below the dams. Largemouth bass good on crankbaits, Sinkos and jig-and-pig combinations at 2-5 ft. Report submitted by Rick Stafford of Wagoner.

Grand: May 26. Elevation normal, water 67. Largemouth bass good on spinnerbaits and crankbaits at 5-10 ft. Crappie good on minnows and jigs around structure. White bass good on jigs up Honey Creek, Elk River and Drowning Creek. Catfish good on fresh cut bait. Report submitted by Kody Moore, game warden stationed in Delaware County.

Keystone: May 28. Elevation 2 ft. above normal, water 61. Catfish good on cut bait at 20-30 ft. Crappie fair on minnows and jigs at 3-5 ft. Largemouth bass slow. Report submitted by Karlin Bailey, game warden stationed in Creek County.

Oologah: May 26. Elevation 2 1/2 ft. above normal, water upper 60s to low 70s and muddy in the north end and murky in the south end.

Crappie fair on minnows and jigs at 6-10 ft. along rocky banks. Channel and blue catfish good on shad and liver at 5-10 ft. along rocky banks. Largemouth bass fair on spinnerbaits and crankbaits at 4-8 ft. around points. Blue catfish fair on shad below the dam. White bass fair on jigs below the dam. Report submitted by Brek Henry, game warden stationed in Rogers County.

Pawhuska: March 5. Trout fair on Power Bait. Report submitted by David Clay, game warden stationed in Osage County.

Skiatook: May 20. Elevation 13 1/2 ft. below normal, water clear. Largemouth bass fair on spinnerbaits in back of coves. Crappie fair on minnows and jigs at 2-5 ft. along shorelines. Report submitted by Paul Welch, game warden stationed in Osage County.

Sooner: May 28. White bass and striped bass hybrids fair on sassy shad and topwater lures in the discharge and fair on slabs and live shad in the lake. Catfish good on cut bait and live bait in the discharge. Report submitted by Doug Gottschalk, game warden stationed in Noble County.

Tenkiller: May 27. Elevation 3 1/2 ft. above normal, water 68 and clear. Largemouth, smallmouth and spotted bass fair on a variety of baits at 3-10 ft. Crappie fair trolling and around docks. Catfish good on flip-flops baited with cut bait at 40-50 ft. Sunfish good on night crawlers in coves and docks. Report submitted by Monte Brooks of Cookson.

U.S. EPA Region 6 Public Notice
Wilcox Oil Company
Proposed to the National Priorities List
May 24, 2013

The U.S. Environmental Protection Agency (EPA), in conjunction with the Oklahoma Department of Environmental Quality (ODEQ), has proposed the Wilcox Oil Company Site (Site) on the National Priorities List (NPL). The NPL is EPA's list of uncontrolled or abandoned hazardous waste sites identified for long-term cleanup under the federal Superfund program.

The Site is located in Bristow, Creek County, Oklahoma. Site sources include contaminated soil, cooling ponds, and numerous tank bottoms. Hazardous substances include polycyclic hydrocarbons (PAHs), and metals, primarily lead. Adding the Site to the NPL will allow for extensive cleanup of contamination.

The proposal docket for the Site is available for review at the:

City of Bristow Public Library
111 West 7th Street
Bristow, Oklahoma 74010

Community members are invited to comment on the proposal to place the Site on the NPL. A 60-day public comment period begins May 24, 2013, and ends July 23, 2013. Please send an original and three copies of written comments, identified by Docket ID No. EPA-HQ-SFUND-2013-0204, to:

Docket Coordinator, Headquarters
U.S. Environmental Protection Agency
CERCLA Docket Office, Mail Code 5305T
1200 Pennsylvania Avenue, NW
Washington, DC 20460

For more information about the Site, contact Bill Little, Community Involvement Coordinator/S.E.E., at 214.665.8131 or toll free 1.800.533.3508 or by e-mail at little.bill@epa.gov.
